

# Personal Recommendation

provided by: Dan van der Bijl

to whom: Tamara Kuzmenko

## BBA

Mikkeli University of Applied Sciences (Polytechnic University)

**Dan Bijl; van der**

lecturer at Hanzehogeschool Groningen

“ When lecturing the international MBA course in Mikkeli University of Applied Sciences (Finland) in 2010, I noticed excellent business skills and knowledge in the field of international business of Tamara Kuzmenko. In particular her fruitful skills in a project-team when setting up a business abroad, in solving vocational accounting problems and in general her dedication to her study. **less**

November 4, 2013, Dan taught Tamara at Mikkeli University of Applied Sciences (Polytechnic University)
